

A spiritual warfare prayer for the United States mid-term elections 2018.

Please consider praying this prayer daily leading up to the elections. There is a multiplication of power when praying with other Christians. Pray with as many of your family and friends together as possible and ask them to all agree at the end of the prayer. Please consider sharing this prayer with as many Christians as possible.

Dear Lord and Heavenly Father, we praise you and thank you for the nation of the United States. We thank you for the shining light of freedom that this country has been and continues to be for its citizens and those around the world. We thank you that we still have religious freedom to worship you in public. We thank you for the opportunity to vote and play a role in choosing the leaders of this great nation through the election process. We also thank you for the power of prayer and the ability to affect the outcome of the elections. We pray for the spread of the gospel in the United States and around the world through your mighty power.

We ask that you would please remit all of the sins committed in this nation, in the air above, the ground beneath, in the land and waters, and in all realms seen and unseen, back to Adam and Eve, by the power in the blood of Jesus Christ. We are very sorry for them and ask for your forgiveness. Please have mercy on us, restore and heal us. Please bless the United States.

We ask that you would raise up Godly leaders who are not afraid to execute justice and do what is right in the face of evil. We pray that wicked and evil people would not be promoted to positions of power, or remain in power in this election. Please shine the light of truth to expose and remove the wicked from all positions of influence and authority from small to great.

We pray for the voting process. We ask that there would be no corruption, manipulation, or subversion of the voting process. We pray that there would be no voting fraud, and if there is, that it would be thwarted. We pray for the protection of all voting places, voters, and technology, computers and voting software, counting of ballots and mail-in ballots. We ask for people and angels to be in place as watchdogs to catch potential fraud. We pray that you would expose all darkness attempting to steal elections. May evil people with malevolent intent to harm the voting process be sick or incapacitated leading up to and on election day.

Please cover all voters, voting places, computers and technology involved with voting, and all voting workers with angels, the Blood of Jesus Christ, a strong hedge and a wall of fire, and the armor of God leading up to and on election day. Please strengthen and motivate all Christians to get out and vote even if it is not easy or convenient. Please provide means for voters who have special needs or mobility issues to help them get to the voting places.

We break the power of every hex, vex, curse, spell, incantation, witchcraft and ritual performed by evil people and entities against the elections, voters, electoral process and candidates by the power in the blood of Jesus. We bind every evil spirit power, witch, warlock, Satanist, and occultist, who would attempt to work against God's will. According to Isaiah 54:17, we pray that no weapon formed against the United States and its people and electoral process will prosper. Lord, condemn every tongue that shall rise against these elections in judgment. Frustrate, confuse, and disappoint them. Break the evil spirits with a rod of iron and dash them to pieces like a potters vessel. Spring every trap that Satan has planned to harm the elections. We ask that you would use everything that he intends for evil for good.

We pray that the Holy Spirit would stir in the hearts of all of the people in this country. Please help them to forget Satan's programming, and remove the spirit of anti-Christ from within them. Place your will in their hearts and minds. Fill us all with your Holy Spirit.

May the spirit of meekness, wisdom, truth, might, and power come upon the Godly men and women of our nation to boldly lead us out of the darkness.

We ask these things in Jesus Christ's mighty name, all according to your perfect will, Amen.
